2022 GOVERNMENT-IN-ACTION YOUTH TOUR**

MANDATE INFORMATION

To: Parents/Guardians and Participants

As you may or may not know, the Government-in-Action Youth Tour program is a function of our national association, National Rural Electric Cooperatives Association. Our statewide association, Texas Electric Cooperatives, then facilitates it for Texas, and that is who we work directly with. This tour was canceled in 2020 and 2021, so both associations have been working diligently to maneuver all the mandates both for Austin and Washington, DC, and the surrounding area.

Lamb County Electric Cooperative has made the decision to go forward and have our contest and send the 3 winners on the tour.

This being said, it is very important that you and your child understand the following:

As of today (February 7, 2022), the mandates that are in place are:

1. Masks may be required to be worn at some places
2. Proof of Covid vaccination (2 vaccines) is currently being required to enter the play at the Kennedy Center. If this mandate is still in place in June, our statewide coordinator will be setting up another activity that those that aren't vaccinated will attend. This is the only function that a proof of vaccine will be required.

These are the only two in place at this time. Please know that this can change by June, with all mandates being lifted, or more in place.

Our signature below indicates that we understand the situation with the Youth Tour, and we are willing to make concessions where needed. We also understand that a positive test and/or exposure could affect when my child will return home from the trip.
